No Jumps! for Excellent Level.

Team Rally: Four Handlers, Four Dogs! A fifth dog may be entered as an alternate at no additional fee. However, only four dogs may compete on the team. No dog may be entered on more than one team for that level. Dogs can compete at any level despite their title. Each dog and handler team will run the course individually and be scored individually... however the team time starts when the judge says 'Forward' with the first team member and ends when the fourth team member crosses the FINISH sign. The time runs continuously, similar to a relay race! Jump heights will be set for the height of the smallest dog on the team. Team scoring is based on 400 points, or 100 points per team member. **Important: Please have all members of your team indicate your team name when you enter. The team alternate must indicate "Alternate for "Team name"**
